Telecommunications Services within)	
the State of South Carolina.)	

VDD

By Order No. 97-207, dated March 13, 1997, issued in Docket No. 96-206-C, the Public Service Commission of South Carolina ("the Commission") granted a Certificate of Public Convenience and Necessity to USA Global Link, Inc. ("USA Global Link") which authorized USA Global Link to provide resold intrastate interexchange telecommunications services within the State of South Carolina.

By letter dated March 28, 2000, corporate counsel for USA Global Link requested that USA Global Link's Certificate of Public Convenience and Necessity be cancelled and its tariff withdrawn. USA Global Link states that it does not have any business or residential customers for 1+ service in South Carolina and that it is not the Primary Interexchange Carrier for any customer located within the state.

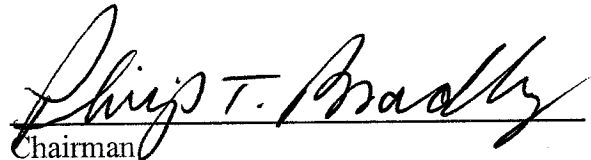

Upon consideration of this matter, the Commission finds that USA Global Link has demonstrated good cause to cancel its certificate. As USA Global Link has no customers within the state, no end user will be impacted by the approval of USA Global Link's request. Therefore, the Commission concludes that USA Global Link's request to cancel its Certificate and to withdraw its tariff should be granted.

IT IS THEREFORE ORDERED THAT:

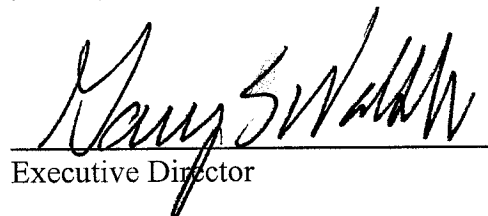

1. The Certificate of Public Convenience and Necessity granted to USA Global Link to operate as a reseller of intrastate telecommunications services authorized by Order No. 97-207, dated March 13, 1997, and issued in the instant Docket, is hereby cancelled and that the tariff filed by USA Global Link is hereby withdrawn.

2. This Order shall remain in full force and effect until further Order of the Commission.
